Under a longstanding business process management partnership that expanded in 2012, Genpact is handling MSC's and MPM's end-to-end order management processes based on Genpact's proprietary Smart Enterprise Processes (SEP^{SM}) framework for driving business process effectiveness. This engagement to date has generated considerable savings for MSC and MPM, accompanied by increased productivity, accuracy, speed and efficiency.

"We engaged with Genpact so that MSC and MPM could deliver better customer satisfaction and order management processes, and they have helped us exceed our goals through a combination of process excellence, domain expertise, talent management practices and customer focus," **said Jeroen Verhoeven , vice president, Global Commercial Services, Momentive .** "This is a close and successful partnership with joint responsibility for people, process performance and improvement, and the results clearly show."

"This award from the European Outsourcing Association recognizes Genpact's commitment to deliver business impact to our clients by transforming processes and providing them with the flexibility to adapt to changing market conditions," **said Pascal Henssen, senior vice president and COO, Genpact Europe.** "Through the success of this growing collaboration, we are helping MSC's and MPM's operations become more effective and competitive."

The European Outsourcing Association Awards, now in their fourth year, recognize the world's leading outsourcing suppliers, end users and support service providers for their ability to change the way things are done across Europe by providing innovative solutions and true business transformation.
