About Genpact

Genpact (NYSE: G) stands for "**generating business impact.**" We are a global leader in digitally-powered business process management and services. We architect the **Lean DigitalSM** enterprise through our patented Smart Enterprise Processes (SEPSM) framework that reimagines our clients' operating model end-to-end, including the middle and back offices, resulting in Intelligent OperationsSM. The impact on our clients is a high return on transformation investments through growth, efficiency, and business agility. For two decades, first as a General Electric division and later as an independent company, we have been passionately serving a few hundred strategic clients including one-fourth of the Fortune Global 500, and have grown to over 70,000 people in 25 countries, with key offices in New York City. The resulting business process and industry domain expertise, and experience running complex operations, are a unique heritage and focus that help us drive the best choices across technology, analytics, and organizational design.
