### About Genpact

Genpact (NYSE: G) stands for "**generating business impact.**" We are a global leader in digitally-powered business process management and services. We architect the **Lean Digital<sup>SM</sup>** enterprise through our patented Smart Enterprise Processes (SEP<sup>SM</sup>) framework that reimagines our clients' operating models end-to-end, including the middle and back offices. This creates Intelligent Operations<sup>SM</sup> that we help design, transform, and run. The impact on our clients is a high return on transformation investments through growth, efficiency, and business agility. For two decades, first as a General Electric division and later as an independent company, we have been passionately serving our clients. Today, we generate impact for a few hundred strategic clients, including approximately one-fifth of the Fortune Global 500, and have grown to over 70,000 people in 25 countries, with key offices in New York City. The resulting business process and industry domain expertise and experience running complex operations are a unique heritage and focus that help us drive the best choices across technology, analytics, and organizational design.
