Genpact Schedules Earnings Announcement and Conference Call for Fourth Quarter and 2016 Year-End Results

NEW YORK, Jan. 11, 2017 /PRNewswire/ -- Genpact (NYSE: G) will announce results for the fourth quarter and full year ended December 31, 2016 before market open on Friday, February 10, 2017.

The same day, Genpact's management will host an hour-long conference call beginning at 8:00 a.m. EDT to discuss the company's performance for the fourth quarter and full year 2016. To participate, callers can dial +1 (877) 654-0173 from within the U.S. or +1 (281) 973-6289 from any other country. Thereafter, callers will be prompted to provide the conference ID, 49151521.

A live webcast of this event will also be made available on the Genpact Investor Relations website at http://investors.genpact.com. For those who cannot participate in the call, a replay and podcast will be available on the Genpact website after the end of the call. A transcript of the call will also be made available via the website.

About Genpact

Genpact (NYSE: G) stands for "**generating business impact**." We are a global leader in digitally-powered business process management and services. We architect the **Lean Digital**[SM] enterprise through our patented Smart Enterprise Processes (SEP[SM]) framework that reimagines our clients' operating models end-to-end, including the middle and back offices. This creates Intelligent Operations[SM] that we help design, transform, and run. The impact on our clients is a high return on transformation investments through growth, efficiency, and business agility. For two decades, first as a General Electric division and later as an independent company, we have been passionately serving our clients. Today, we generate impact for a few hundred strategic clients, including approximately one-fifth of the Fortune Global 500, and have grown to over 75,000 people in 25 countries, with key offices in New York City. The resulting business process and industry domain expertise and experience running complex operations are a unique heritage and focus that help us drive the best choices across technology, analytics, and organizational design.
