Quotes in Support of Genpact's New Partner Program, Genpact Partner Plus

NEW YORK, Nov. 28, 2017 /PRNewswire/ -- The following are quotes in support of Genpact's launch of its new partner program, Genpact Partner Plus, which leverages a strong partner ecosystem to accelerate digital-led innovation and digitally-enabled intelligent operations for its clients.

Partners

"We are incredibly excited to be part of the Genpact Partner Plus Program. We are bringing two best-in-class companies together to uniquely solve client problems in innovative ways**.** Genpact and OSV are excited to explore new ways for companies to run and operate their organizations by streamlining business processes with technology, including state-of-the-art digital and analytics capabilities." **– Trey Campbell, CEO, OneSource Virtual**

"We are thrilled to be an inaugural partner in the Genpact Partner Plus Program. We see great potential in working together to transform how clients operate their supply chains and unlock valuable insights for their businesses." **– Mike Landry, President, Barkawi Management Consultants**

"The number one byproduct of digitalization is data. We all know that data generate by the information age is unprecedented in both its size, growth and pace. Companies cannot respond, traditional approaches are inadequate. The Signals Playbook is a cloud-based augmented intelligence platform that taps into streams of the world's unconnected data to uncover deep insights to drive product decision-making with a higher probability of success, quicker…and with less risk. We're excited to work with Genpact, a world class leader in intelligent operations and digital transformation to bring our artificial intelligence/machine learning-based platform to life for their life sciences, consumer packaged goods and retail clients to signal out all the noise from structured and unstructured data." **– Signals Analytics**

"I am so excited for TCGi to be a part of Genpact's inaugural Partner Program. We have already done such great work together; this will serve as the next step to enhance our symbiotic relationship and extend further value to our clients." **– Avis Yates Rivers, CEO, TCGi**

"Our customers are looking for a provider to help them transform their financial operations to prepare for one of the biggest accounting changes in history. Already a trusted partner to many of the Fortune 500, Genpact is a perfect partner to help our customers optimize their record-to-report processes using their lean six sigma approach." **– Michael Keeler, CEO, LeaseAccelerator**

"Backstop leverages Genpact's LiveWealth platform to aggregate, normalize and reconcile structured and unstructured data for alternative investments (hedge funds, private equity, etc.) to enrich its Productivity Suite for the Institutional Investment Industry™; ultimately providing additional insights and saving its clients' valuable time." **– Robert Goldbaum, SVP, Backstop Solutions**

"We're excited to be one of the first partners in Genpact's Partner Plus program. As one of their top digital workforce partners, we'll be able to combine world-class technology and process to help companies transform their business operations." – **Anubhav Saxena, EVP, Partnerships, Strategy and Operations, Automation Anywhere**

"UiPath's entry into the Genpact Partner Program will provide our joint customers a significant advantage in how we can support their digital transformation journey. We are proud to be part of the program." **– Daniel Dines, CEO, UIPath**

Analysts

"As the market is in transition and companies in all industries are plotting digital transformation strategies, alliances and partner ecosystems has never been more critical. Genpact is committed as a company to building strong partnerships and to collaborating with leading software and services firms to drive success with clients." **– Chris Webber, Research Director, IDC Strategic Alliances.**

"Genpact's comprehensive portfolio of products and services is well poised to further integrate offerings from partner companies as part of a solid, formal program." **– Andy Efstathiou, Banking Sourcing Research Director, NelsonHall.**
