Genpact Named Workday Advisory Services Partner

NEW YORK, Jan. 31, 2019 /PRNewswire/ -- Genpact (NYSE: G), a global professional services firm focused on delivering digital transformation, today announced that it has been named a Workday Advisory Services Partner. Workday (NASDAQ: WDAY) is a leading provider of enterprise cloud applications for finance and human resources.

As a Workday Advisory Services Partner, Genpact will focus on advising customers in their adoption of Workday Financial Management, which unifies a full range of accounting capabilities to provide organizations with real-time business insights, and levels of speed, control, and agility required to meet the complex needs of today's business landscape.

Genpact's history of helping Global *Fortune* 500 organizations transform and digitally enable their core business finance and accounting operations puts the company in a unique position to help clients realize the benefits of deploying Workday Financial Management and transform their underlying finance and accounting operations. Genpact customers using Workday Financial Management also will be able to leverage Genpact Cora, an AI-based digital platform to drive automation, analytics, and enhancement of core processes in areas such as accounts payable, accounts receivable, and travel and expense compliance and approvals.

"Genpact has helped numerous clients drive business impact with intelligent automation in finance operations, and has a clear vision to speed companies' transformation initiatives," **said Alison Close, Research Manager, finance and accounting, BPaaS, and analytics services, International Data Corporation.** "Given Workday and Genpact's expertise in finance and accounting processes, combined with Genpact's investments in machine learning and artificial intelligence, customers will be able to innovate their finance processes in Workday while also unlocking cost savings that drive competitive growth."

To help clients achieve optimal ROI from their Workday deployments, Genpact is collaborating with two additional Workday service partners, Deloitte and OneSource Virtual, to develop new approaches and offerings to help chief financial officers and their teams unlock cost savings that can drive more value and agility across the enterprise.

"Our partnership with Workday – combined with Genpact's expertise in managing one of the world's largest learning data sets for facilities and administrative processes – is expected to help our clients achieve real-time, accurate, and detailed insights from their finance operations to make informed strategic business decisions," **said Katie Vanpelt Stein, Chief Strategy Officer and Enterprise Services Leader, Genpact.** "Workday Financial Management will provide our joint clients with the speed they need to support finance transformation and create meaningful impact across their enterprises."
