

Media Advisory: Genpact Event - Learn What Lessons Artificial Intelligence and Analytics in Formula E Racing Can Bring to the Boardroom and Business

NEW YORK, December 4, 2019 - Genpact (NYSE: G), a global professional services firm focused on delivering digital transformation, is co-hosting an exclusive event in San Francisco with Techonomy, that brings together the world of motor racing and advanced analytics through Genpact's partnership with Envision Virgin Racing, a founding Formula E team.

The event will focus on how artificial intelligence and data analytics can help businesses make faster strategic decisions in the boardroom, just as it's helped the Envision Virgin Racing team win on the racetrack. This will include a panel discussion with:

- [Sylvain Filippi](#), Managing Director and Chief Technology Officer, Envision Virgin Racing
- [Robin Frijns](#), Professional Racing Driver, Envision Virgin Racing
- [Sanjay Srivastava](#), Chief Digital Officer, Genpact

Media are invited to attend the event, join senior executives to learn how these technologies help drive competitive advantage, and can try their hand at a race simulator.

EVENT DETAILS:

Date: Thursday, December 12, 2019

Time: 4:00 p.m. PT

Location: [Haight Street Art Center](#), San Francisco
