NEW YORK, April 12, 2023 /PRNewswire/ -- Tiger Tyagarajan, President and Chief Executive Officer of Genpact, a global professional services firm focused on delivering outcomes that transform businesses, has been recognized by the Ascend Foundation on their 2023 A-List Awards list, for Genpact's continued demonstration of resilience during times of rapid change and uncertainty.

The A-List Awards highlight the power of resilient, impactful, and courageous business leaders. Honorees primarily representing a cross-section of Asian ethnicities are selected for their professional achievements and the advancement of others in their industries or communities aligning with Ascend's mission to develop and elevate all Asian and Pacific Islander (API) business leaders, empowering them to become catalysts for change.

"We formally launched the A-List Awards because we noticed a growing number of very successful Pan-Asian leaders who were not being recognized," said **Sandeep Gupta, Chair of the 2023 A-List Benefit Committee.** "With a record number of nominations this year, our realizations continue to prove true, and Ascend is extremely proud to honor all of these honorees."

Genpact's CEO is among 30 impactful Asian role models that were honored with Ascend's 2023 A-List Awards.

"Businesses and leaders today must demonstrate agility, a hunger for curiosity, and deep focus on embedding diversity into the fabric of their organizations to thrive and build resilience for the future," said **Tiger Tyagarajan, President and CEO, Genpact**. About Ascend Foundation and Ascend

The Foundation's The Other Side campaign features Ascend storytellers who shine light on the long-held societal biases that make APIs less likely to be promoted to leadership levels. These efforts and the A-List Awards reinforce the Ascend Foundation's goals to increase recognition of Pan-Asian leadership, drive awareness through shared experiences, and encourage the hopes and dreams of future Pan-Asian leaders.

The Ascend Foundation is a 501(c)(3) organization with a mission to educate, advocate, and enable Pan-Asian business leaders to reach their full potential and make greater positive societal impacts.
