Genpact Opens its First Technology Centre in Warangal to Boost India's Tech Ecosystem

Reinforcing Genpact's ongoing efforts to attract and develop talent across the country

TELANGANA, May 08, 2023 – Genpact (NYSE: G), a global professional services firm focused on delivering outcomes that transform businesses, today announced the opening of a technology center at Madikonda, Kazipet in Warangal, Telangana.

The center has a built-up area of 6085 sq. ft. and will employ around 160 people.

This initiative is in line with Genpact's ongoing commitment to support the Telangana government in strengthening the IT industry in tier 2 and tier 3 cities in the state. Warangal is one of the emerging IT cities in Telangana and offers a strong academic ecosystem with NIT-Warangal and other engineering colleges to provide the right talent for Genpact's technology center.

"With the government's continued push to develop the IT infrastructure in tier 2 and tier 3 cities, India is rapidly emerging as the world's technology and innovation hub," said **Vidya Srinivasan, global Infrastructure and Logistics leader, Genpact.** "At Genpact, we continue to focus on supporting the growth of our rising talent in India through strategic infrastructure and campus investments. Through this new technology center, we aim to help build a diverse and skilled workforce across the country."

The company already has a campus in Hyderabad's Uppal area and plans to continue expanding and growing its talent base in other tier 2 and tier 3 cities in India.

About Genpact

Genpact (NYSE: G) is a global professional services firm delivering the outcomes that transform our clients' businesses and shape their future. We're guided by our real-world experience redesigning and running thousands of processes for hundreds of global companies. Our clients – including many in the Global Fortune 500 – partner with us for our unique ability to combine deep industry and functional expertise, leading talent, and proven methodologies to drive collaborative innovation that turns insights into action and delivers outcomes at scale. We create lasting competitive advantages for our clients and their customers, running digitally enabled operations and applying our Data-Tech-AI services to design, build, and transform their businesses. And we do it all with purpose. From New York to New Delhi and more than 30 countries in between, our 115,000+ team is passionate in its relentless pursuit of a world that works better for people.
