NEW YORK, March 4, 2024 /PRNewswire/ -- Genpact (NYSE: G), a global professional services firm focused on delivering outcomes that transform businesses, today announced that it has been recognized as one of the 2024 World's Most Ethical Companies by Ethisphere, a global leader in defining and advancing the standards of ethical business practices.

This is the sixth time that Ethisphere has recognized Genpact, which was one of only 5 honorees in the Consulting Services category for 2024. Congratulations to Genpact for achieving this honor and demonstrating that strong ethics is good business."

Methodology & Scoring
The World's Most Ethical Companies assessment is grounded in Ethisphere's proprietary Ethics Quotient®, an extensive questionnaire that requires companies to provide over 240 different proof points on their culture of ethics; environmental, social, and governance (ESG) practices; ethics and compliance program; diversity, equity, & inclusion; and initiatives that support a strong value chain. That data undergoes further qualitative analysis by our panel of experts who spend thousands of hours vetting and evaluating each year's group of applicants. This process serves as an operating framework to capture and codify truly best-in-class ethics and compliance practices from organizations across industries and from around the world.
