

Genpact Opens New Facility in Jodhpur, Plans to Create Up to 5,000 New Jobs

JODHPUR, October 28, 2024 – [Genpact](#) (NYSE: G), a global professional services and solutions firm delivering outcomes that shape the future, today announced the opening of its new office in Jodhpur, Rajasthan. This strategic expansion is expected to create up to 5,000 jobs for local talent over the next five years, strengthening Genpact's presence in India and contributing significantly to the region's economic growth.

"By drawing on Jodhpur's rich talent pool, we're not only expanding our operations but also positioning ourselves to deliver cutting-edge AI and digital transformation services to clients worldwide," said **Piyush Mehta, CHRO and Country Manager, India, Genpact**. "This new facility underscores our commitment to fostering innovation and creating meaningful economic impact."

India remains central to Genpact's AI-first strategy, with 70% of its global workforce based in the country. The new Jodhpur office marks a key milestone in Genpact's ongoing efforts to build a diverse and robust talent pipeline following the successful launch of facilities in Madurai and Warangal last year. This expansion bolsters Genpact's capabilities across critical industries, including finance and accounting, healthcare, and banking.

The new Jodhpur hub will play a key role in delivering advanced technologies, AI solutions, and digital transformation services globally. Genpact's investment in this region is part of its broader goal to access larger, more diverse talent pools across India, fuelling innovation and driving sustainable growth.

In addition to job creation, the Jodhpur facility is expected to offer skill development opportunities for local professionals, helping cultivate a pipeline of digital talent. This aligns with Genpact's commitment to empowering local communities and driving long-term economic growth in the region.
