Genpact Recognized by Forbes as One of the World's Best Management Consulting Firms 2025

Recognition for the fourth consecutive year highlights Genpact's leadership in delivering lasting value for leading enterprises globally

NEW YORK, Sept. 17, 2025 /PRNewswire/ -- Genpact (NYSE: G), an agentic and advanced technology solutions company recognized for its deep industry knowledge, process intelligence, and last-mile expertise, today announced its inclusion in Forbes' list of the World's Best Management Consulting Firms 2025. This prestigious recognition underscores Genpact's role as a trusted transformation partner to some of the world's largest businesses.

"In today's fast-moving world, companies need partners who bring both strategic vision and execution to turn potential into performance," said **Balkrishan "BK" Kalra, President and CEO, Genpact.** "Our ability to connect process and industry domain expertise with agentic and advanced technologies helps our clients drive meaningful transformation. This recognition by Forbes is a testament to the trust our clients place in us and the outcomes we deliver together."

Forbes, in partnership with Statista, developed the list using a rigorous, independent survey of 8,900 consultants, clients, and senior executives in 29 countries worldwide. Firms were evaluated based on recommendations across 13 industries and 15 functional areas, including organization management, finance, risk and compliance, and AI. Only companies with the highest number of endorsements across these key areas earned a place on the final list.
